***Social Security Number to be used ONLY for Sole Proprietorship that has No Employees.**
Federal Employer Identification Number to be used for all others.

**You should give the one business activity that accounted for the largest percentage of gross income. State the broad field of business activity as well as the product or service. For example, "wholesale-drugs", "retail apparel".

(This is the same information as that required by the Internal Revenue Service on Schedule C of Form 1040 for Sale Proprietorships.)

(License Inspector will advise other provisions of description.)
